To Whom It May Concern:

I would like to request that the Grant Parish School Board look at my records to determine if I meet guidelines per Act 303 to receive a diploma. I understand that three conditions must be met:

- 1) Have a disability under IDEA,
- 2) Have completed all Carnegie Credit requirements per my cohort, and
- 3) Have been denied graduation solely for failing to meet exit examination requirements.

With my signature below, I am giving permission for my records to be pulled and examined by the special education department of the Grant Parish School Board to determine if I am eligible.

Sincerely,
