Dear Parents,

One positive thing that came from the past two years of COVID is each student has their own school-issued chromebook. We encourage parents to purchase a backpack that is designed for protection of the chromebook during travel as it has extra padding and support not found with traditional backpacks and we found this to be very beneficial this year. Additionally, students use headphones on a daily basis.

In an effort to assist students and parents with locating the appropriate type of backpack for the chromebook and to make things easier as well, we will be preselling school supply kits again. Each backpack/kit will include the following for students:

If you would like to pre-order the school supplies, please return the attached form along with payment by June 8th @ 3pm. This will allow us the time to get the backpacks and supplies ordered and in prior to the beginning of school. There will still be a \$15 homeroom fee as well as \$5 technology fee to provide ink, paper, and other supplies for classroom use. We hope this helps as we feel it will assist students, parents, and teachers as we begin the new year. Thank you for your support as we prepare for the new school year! We are looking forward to the new beginnings, hopefully back to normal, but mostly seeing our sweet students again!

Thank you

Jennifer Winslett
