The screenshot shows the Epilepsy Foundation website interface. At the top left is the logo with the tagline "EPILEPSY FOUNDATION AND EPILEPSY TOGETHER". Navigation links include "Course Catalog", "Educational Videos", "Sign In", and a purple "Sign Up" button. A red arrow labeled "SELECT" points to the "Sign Up" button. The main content area features a large image of a smiling male teacher in a blue shirt and red tie, holding a book. To the right of the image is the course title "Seizure Training for School Personnel (On Demand) - v2.0a". Below the title is a list of course details: "75 minutes", "Available Now (On Demand)", "Access from anywhere (Online) and Access Anytime (On Demand)", "Certificate of Completion", "CHES™/MCHES™ Continuing Education Credits", "Frequently Asked Questions", "Course Objectives", and "Technical Support". A purple button labeled "Start On Demand Course" is positioned below the main image. A "Related courses" section at the bottom left shows a smaller thumbnail for "Seizure Training for School Nurses: Caring for Students (On Demand) - 2021".

How to take this Course?
Thank you for enrolling in the course. You are currently in the **course player on the Epilepsy Learning Portal**. The course player is the course-taking environment where you view content like videos, handouts, take assessments, quizzes, submit the course evaluation and more.

If this course is not completed within **three weeks** of enrollment, the system will automatically expire the enrollment. We encourage you to re-enroll in the course when you have time to complete the course.

Navigating the Course

Course Lessons

On the left side of the course player you can see all the chapters and lessons in this course. You can open and close chapters and click on lessons.

When you finish a lesson click the **Complete and Continue** button at the bottom of the content window to mark it as complete and progress to the next lesson. You will not be able to advance to the next lesson until you complete the current lesson.

At the bottom of the content window, there is a button labeled "COMPLETE & CONTINUE" with a right-pointing arrow.

SELECT

As you complete the tasks and progress through the training the left of the screen will annotate your progress. Each section will have you select “complete and continue”.

The screenshot shows the 'EPILEPSY' training interface. On the left, a sidebar displays course progress for 'Seizure Training for School Personnel (On Demand) - v2,0a', which is 9% complete. The sidebar lists sections: Course Instruction (2/3), Demographic Questionnaire (0/2), Pre-Course Assessments (0/2), and Course Handout (0/1). The 'How to take' section is expanded, showing 'How to take', 'Acknowledging', and 'Video Player Options'. A red arrow points to the 'How to take' section with the text 'Circles will be filled in as you complete items.' The main content area is titled 'Video Player Options' and contains two sections: 'How do I activate closed captions (CC) in the video modules?' and 'How do I adjust video playback speeds?'. A 'COMPLETE & CONTINUE' button is at the bottom right. A red arrow points to this button with the text 'SELECT TO PROGRESS'.

At the end you will have a 17-question quiz. You are told immediately if you selected the correct answer. You are allowed to take retake the exam if you don't score the required 80%.
