MINUTES

Grant Parish Seac met with members present both in person and virtual. Denise Young provided information on the academic performance of students with disabilities in Grant Parish. Mrs. Young also provided reporting information from the Indicator reports for Child Find and Discipline and the Alternate Assessment report. Disproportionality and/or areas of non-compliance on indicators was explained along with the plan for corrective actions. Mrs. Young further discussed the district's total IDEA allocation. 70% of the IDEA allocation supports salaries & benefits while 30% supports professional development and services, travel, and supplies. Mrs. Young discussed recent audits and IDEA monitoring. Due to technical difficulties (lack of audio), the meeting concluded.
