
EXTRA-CURRICULAR & CO-CURRICULAR SCHOOL INSURANCE WAIVER

Participation in any extra-curricular or co-curricular activity (such as sports, cheerleading, dance line, etc.) involves some inherent risk of injury by virtue of the nature of the activity. Parents who allow their children to participate in these types of activities should be aware of the inherent risk and be willing to accept such risk of injury.

The Grant Parish School Board encourages all participants in these activities to obtain accident insurance offered through the Grant Parish School System. If the parent/guardian does not choose to purchase this coverage, the parent/guardian acknowledges that the coverage is available to the student and that it has been declined.

If the insurance is declined, the parent/guardian acknowledges their willingness to assume responsibility for these inherent risks while their child is participating in a Grant Parish School Board sanctioned extra-curricular or co-curricular activity.

Please provide your child's insurance information below and attach a photocopy of the current insurance card for the student.
